Dear Parents,

I hope this letter finds you and your loved ones in good health, happiness and enjoying an amazing summer!

My name is Devorah Kaplan – I am the Educational Director at Downtown Jewish Center Chabad.

I would like to share with you some information about our dynamic Hebrew school with the hope that you will be interested in registering your child or referring a friend.

Downtown Hebrew for Kids is in its 13th successful year. Due to the growing demand in the community and the very satisfied families, we have quickly developed from a home-based class of 5 cute kids, to our very own state-of-the-art building with enrollment of over 75 children! We value each and every family that joins us! We treat every child with the utmost care and attention he or she deserves!

At Hebrew for Kids we are proud of our refreshing approach to Jewish Education!

Our innovative curriculum and alternative methods of teaching bring a whole new light to Jewish education! Gone are the old days of rigid, boring, Hebrew school lessons. We offer the hottest, most up-to-date, interactive, high-tech, hands-on, creative and joyous approach to learning.

Our curriculum includes all the topics relevant to a well-rounded Jewish education; Hebrew language, culture, history, Mitzvoth, heritage, Israel, Jewish customs and Jewish pride!

We are dedicated to providing an enriched Jewish education enabling our students to secure a deep understanding of our culture and Jewish heritage. We strive to provide them with a broad knowledge and understanding of Judaism which will permit them to be educated Jews who are proud of their Jewish identity and connect with G-d, His Torah and His people.

The Hebrew for Kids environment is one of openness; welcoming families from all backgrounds. We acknowledge and respect the diversity of our children; while emphasizing Jewish values, family, community, caring, joy, tradition and rituals.
