

## **DOWNTOWN JEWISH CAMP UPDATES / COVID 19**

This is an addendum to the DJP **Updated Standards of Safety Precautions.**

This is in addition to those rules and regulations and are specific to Summer camp.

You must read both and sign waiver

***Due to the limited number of children we are allowed per class and the increase of expenses due to corona regulations, the following has been implemented for summer camp .***

- ✓ All children must register for the whole summer.
- ✓ No monies will be reimbursed if you choose to leave early or for absences or tardiness
- ✓ Children who are registering for a full day are first on the list
- ✓ Once those spots are full, half day children will be accepted.
- ✓ Once the class fills up at 8-9 children, a waiting list will be created to see if we have enough to open another class.
- ✓ As long as camp is running per CDC and DCF guidelines, no refunds will be given due to a child's illness and or inability or change of mind to attend camp.
- ✓ We have the right to cancel camp at any time due to new health updates or guidance from CDC or DCF or other.
- ✓ If we cancel or close camp due to the above, you will be reimbursed for the remainder of the time less 10 percent to help us cover costs
- ✓ If camp is temporarily closed due to covid19 in a staff member or child – we will close for the recommended amount of days without reimbursement or adding days to the end of the summer.
- ✓ We will NOT do zoom/virtual camp at that time.
- ✓ Camp fees must be prepaid every two weeks or paid in full at the start of camp
- ✓ We are not adding additional COVID 19 surcharges

### ***Water play***

- ✓ Water days will be rotated to limit cross contamination between classes
- ✓ All water toys will be disinfected between days

Additional items to bring to camp

1. Camp shoes
2. Labeled shoe box
3. Labeled sippy cup
