

Dearest Friends,

We hope this letter finds you and your loved ones in good health and spirits.

This past year 5780, has been quite tumultuous and can be strangely divided and labeled as ‘BC’: Before COVID-19 and ‘DC’: During COVID-19. BC times were filled with lively DJCC social, educational and religious programs for adults, a thriving dynamic Preschool, Hebrew school, youth & young professional events. The centers were bursting with friends and the sweet sounds of learning, laughing, playing, praying and connecting. When COVID hit and we entered the ‘DC’ stage, the world came to a halt with fear and concern. We at DJCC cautiously continued our herculean efforts in the community, being creative and offering a variety of safe social distanced events for all ages, virtual classes and our unrelenting support for those in need!

Our commitment to the Jewish community will not be stopped! We are determined to keep the light on and remain the ‘Heart of Jewish Life in the Heart of Downtown.’

For the coming New Year, we have adopted an apropos theme titled; #Spread. Each month we will celebrate the spreading of a new initiative such as #spreadlove, #spreadhappiness, #spreadmindfulness. There will be practical opportunities for everyone to participate in the month’s theme and help #spread only goodness, kindness and all the remarkable things that the Jewish community stands for. We anticipate that 5781 will bring about the 3rd era of ‘AC’: After COVID -19, a time when we will celebrate and be physically together again without fear and worry.

DJCC is home where every Jew regardless of background or affiliation can join. We have created an environment of unconditional love and acceptance. With well thought out, safety regulations and respect to all; DJCC is here to serve you today, with social, educational, and cultural events where children, adults, singles, couples, young and the elderly, can enhance their awareness of the Jewish faith and its traditions and strengthen our bonds as a Jewish community.

We invite you to become a partner in our work. DJCC is independently supported through your local contributions. We understand the financial burden that has affected many people during the COVID crisis. As a non profit organization, we too have felt the impact. Enclosed you will find a membership form and envelope. Any assistance will help us continue the vital work that we do. Whether you can do a yearly membership or a onetime donation, please use the enclosed envelope to join the growing number of devoted supporters.

Wishing you a happy, healthy and sweet New Year
