

Dear Friends,

It is with great pleasure that we present you with this year’s annual calendar and program guide for the Jewish New Year 5782!

If the past year has taught us anything, it is the ongoing importance of bonding and attachment. We have all endured a myriad of effects from the COVID pandemic. We understand deeply the intrinsic nature and need of human beings to be part of an extended family; to feel the love, support, empathy and camaraderie of our friends! This has proved to be the key to surviving and -yes- THRIVING!

As we have all experienced over the last 12 months, DJCC has worked tirelessly to maintain, with great flair, our ongoing programs: Preschool, Hebrew school and adult education! We have actually increased and seen major growth in our daily prayer services, Young professional events, as well as our early childhood offerings such as: Mommy ‘n Me and camp! These gatherings, and many others, have proved to be vital and enlivening for our community members!

As we enter the year 5782 our commitment to the community is to ensure that we maintain and enhance our closeness and connection to each other! Our intention at DJCC is to #CONNECT!

As our great sages teach us; “Kol Yisroel Arevim Zeh Lazeh,” and, “Veahavta Lireiacha Kamocha, Zeh klal Gadol Batorah.”

“Each person is responsible for one another” and “Loving our neighbor like ourselves, is a great axiom of the Torah!”

DJCC is a home where every Jew, regardless of background or affiliation can join. We have created an environment of unconditional love and acceptance.

With our expanding acquisition of properties along Broward Blvd, we have increased our activities and begun our journey into launching our Capitol Campaign! We see a future bright with social, educational, and cultural events, where children, adults, singles, couples, young and old can enhance their awareness of the Jewish Faith and strengthen our bonds as a #connected Jewish community.

We invite you to become our partner! DJCC is independently supported through your local contributions. Any assistance will help us continue the vital work we do. Whether you can do a yearly membership or a one-time donation, please use the enclosed membership form and envelope to join the growing number of devoted supporters.

Wishing you a happy, healthy, sweet and safe New Year
